

## ***Alfinete de Seguridad, 2023***

*Fasten*

A young woman, (the artist's daughter), stands in front of a gray background. She is looking at something above her, out of frame. She is wearing the same navy-blue dress the older woman (her grandmother) wears throughout the exhibit. Her dress, and her long, wavy hair are pushed aside to reveal the shoulder of a white tank top, to which she is affixing a rue stem and an evil eye amulet.
