Found Remedy

A young woman stands in a navy-blue dress, on the left side of the frame. Her curly, brown hair sits on her shoulder. Only the edge of her body is within the frame, cut off before any of her head is visible. Her arm is sticking out, and her sleeve is pulled up. She is holding white towel with a single garbanzo bean in it, and on the bare skin of her arm sits a large, green, fig leaf.
